

§ 116-13.1. Capital facilities; reports.

(a) The General Assembly finds that although The University of North Carolina is one of the State's most valuable assets, the current facilities of the University have been allowed to deteriorate due to decades of neglect and have unfortunately fallen into a state of disrepair because of inadequate attention to maintenance. It is the intent of the General Assembly to reverse this trend and to provide a mechanism to assure that the University's capital assets are adequately maintained. The General Assembly commits to responsible stewardship of these assets to protect their value over the years, as follows:

- (1) The Board of Governors of The University of North Carolina shall require each constituent and affiliated institution to monitor the condition of its facilities and their needs or repair and renovation, and to assure that all necessary maintenance is carried out within funds available.
- (2) Repealed by Session Laws 2012-142, s. 9.4(e), effective July 1, 2012.
- (3) It is the intent of the General Assembly to assure that adequate oversight, funding, and accountability are continually provided so that the capital facilities of the University are properly maintained to preserve the level of excellence the citizens of this State deserve. To this end, the Joint Legislative Education Oversight Committee shall report to the General Assembly annually its recommendations for legislative changes to implement this policy.

(b) Equity in University Improvements. – The Board of Governors of The University of North Carolina shall continue to study and monitor any inequities in funding for capital improvements and facilities needs which may still exist on North Carolina's Public Historically Black Colleges and Universities and North Carolina's Historically American Indian University, the University of North Carolina at Pembroke, beyond the funding of the projects provided for in this act, and shall report annually to the Joint Legislative Commission on Governmental Operations on any remaining inequities found, including recommendations as to how those inequities should be addressed.

(c) Repealed by Session Laws 2014-100, s. 36.6, effective July 1, 2014. (2000-3, ss. 1.1, 8; 2005-153, s. 2; 2011-145, s. 9.6C; 2012-142, s. 9.4(e); 2013-360, s. 36.10; 2014-100, s. 36.6.)
